

Application deadlines for the registration and renewal of the IMTLazarus service

IMTLazarus service implies an engagement with the terms, therefore it will be fundamental for the fulfillment of the service, to strictly adjust with the deadlines indicated by the manufacturer.

The period of validity of the licenses is from September 1 to July 31. The licenses that are renewed before July 31, will benefit from an extension of the service during the month of August,

Below find a detailed renewal and application deadlines for the implementation of the IMTLazarus service. This way, we will ensure its correct deployment for the school year.

CONDITIONS - RENEWAL, EXTENSION AND NEW REGISTRATION (FROM SEPTEMBER 1 TO JULY 31)

- Until the 20th of June or after 30.000 € of turnover: 30% of the payment, and the other 70% before the 18th of September.

- Until July 31: 50% of the payment, the other 50% before September 1

Projects without renewal or extension to July 31 will be eliminated and any subsequent management will be consider as a new registration.

CONDITIONS - NEW REGISTRATION (FROM AUGUST 1 TO AUGUST 31)

Applications received from August 1 to 16 will be processed from August 17.

100% of the project payment will be made.

CONDITIONS - NEW REGISTRATION (FROM DECEMBER 1 TO JULY 31):

The requested budget will be approved along with the transfer of 100% of the amount of the service, with a 30% discount on the cost of the licenses.

The projects will be served by the manufacturer on a first-accepted, first-served basis.
