IMT Home

Access

Access the
parental control
portal through **the
mobile app**
and
Web app access

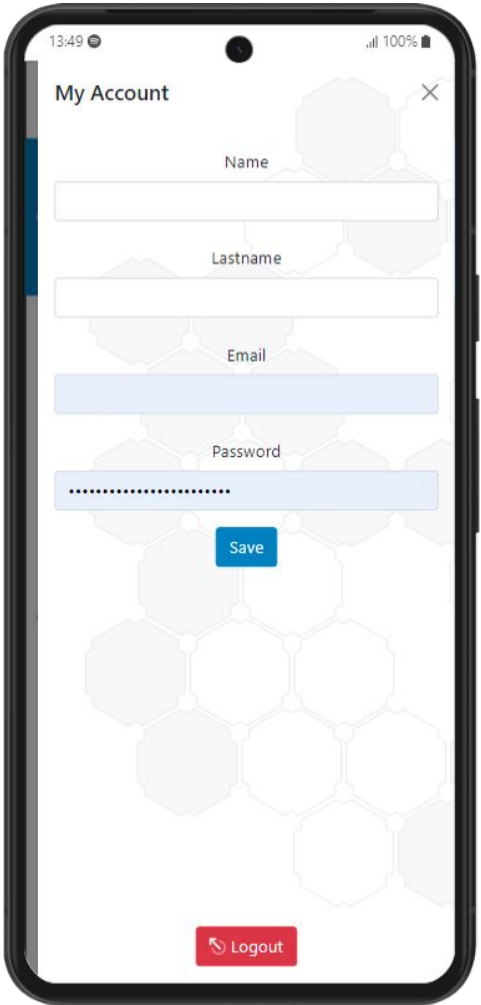

First Look

Access the parental control portal through **the mobile app** and **Web app access**

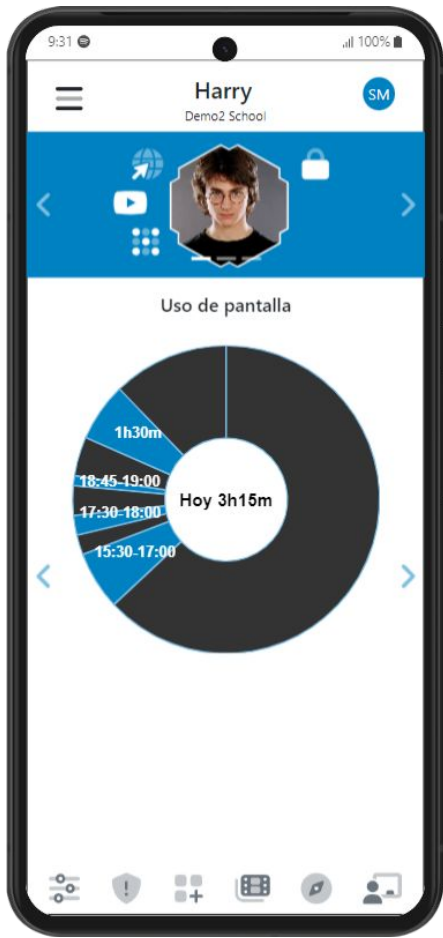

Account Settings

Access to the family **account** information for the **parent/guardian**, as well as the add-on's **usage and privacy policies**, and **tutorials** for proper use of the app.

Ajustes de cuenta

Configuración personalizada para varios **tutores** y **alumnos** de diferentes **centros educativos** con **IMTLazarus**

Not all controls are available for every student. Availability depends on the device's operating system and the license subscribed to by each institution.

Student Controls

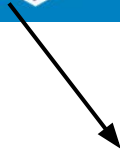

View and identify individual students, with quick-access controls to block **YouTube**, **web access**, **devices**, and **applications**, depending on the available features.

Student Controls

Quick Block Controls:

- **YouTube**
- **Web Access**
- **Device**
- **Applications**

Widget Settings

- Screen Time Settings (per student)

- Behavior Notification Settings (per student)

- Application Control Settings (per student)

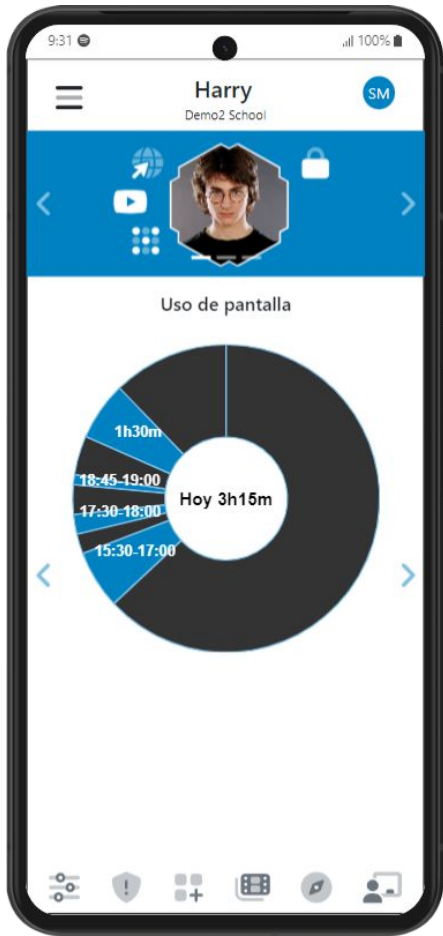

- Activity Screenshot Settings (per student)

- Location Tracking Settings (per student)

- Teacher Notification Settings

Screen Time

Detailed screen time analytics displayed by day, highlighting total usage time as well as the specific activities and their respective durations throughout the day, including usage schedules and time ranges.

- **Student Screen Time Settings**
